

# Resources and Definition Handout

---

## Resources:

- ❖ Strong's Concordance
- ❖ Blue Letter Bible
- ❖ Dictionary of Biblical Imagery
- ❖ Bible Hub
- ❖ Bible Atlas.org
- ❖ The International Standard Bible Encyclopedia
- ❖ Caution about AI Overview: both have information but come from a secular viewpoint. Not all information is Scripturally correct.
- ❖ What I use Goggle search for is finding out how to pronounce a word in Hebrew and locating a particular verse that I'm looking for.

There are other sources for information, but be aware that commentaries are someone's opinion, idea or interpretation. Read and understand the Scripture passage first, then you will be better able to discern fact or fiction.
