We Envision.....

“Becoming Christlike people transferring faith from generation to generation in our community and the world.”

Mission Update: Turuk, Sanjay Kumar & Ashalata
IET – Odisha, India

Recognizing the need for spiritual and organizational strengthening, we organized seminars for pastors and elders’ families in each Sub-Division. These sessions focused on the rules and regulations of IET, the vision, mission, and goals of our ministry, the importance of developing self-supporting churches, and practical teaching on leadership, faith, and family life. These programs not only built stronger ministry teams but also encouraged unity and mutual support among leaders. As we look back over these six months, our hearts overflow with gratitude to God for His mighty works. The Lord has been faithful in every situation, guiding, protecting, and providing for His servants in Chitrakonda. Truly, “The Lord of the harvest is at work among His people.” On behalf of all our pastors, elders, and believers, I once again thank the IET leadership, donors, and prayer partners for your sacrificial love and support. Together, we are co-laborers in the Kingdom of God, and we believe that greater things are yet to come.
