"Becoming Christlike people transferring faith from generation to generation in our community and the world."

Mission Update: Amin, Denny & Lydia ReachGlobal – Medan, Indonesia

Thank you for the prayers you have extended to us. There are no updates on the new believer who was arrested, so please keep that situation in prayer. Relief efforts from the flooding continue. Teams are transitioning from crisis response to reconstruction, community development and ongoing personal interaction. This situation has opened doors for continuing relationships where Jesus can be shared, and we praise God for new believers who are able to hear and accept the truth.

Other Requests:

- Pray for the workers to depend on the Holy Spirit to give them the words to answer the heart cries of those they are ministering to that have lost so much.
- Pray that the name of Jesus would spread miraculously throughout this region and that God would be glorified.
- Pray that new hearers and new believers of the Good News would understand the truth and not filter it through their traditions and culture but would be able to accept it as it is.
