"Our God" by Chris Tomlin

Water You turned into wine, opened the eyes of the blind

there's no one like You, none like You!

Into the darkness You shine, out of the ashes we rise

there's no one like You, none like You!

Chorus

Our God is greater, our God is stronger

God, You are higher than any other

Our God is Healer, awesome in power

Our God! Our God!

Into the darkness You shine, out of the ashes we rise

there's no one like You, none like You!

Chorus

Our God is greater, our God is stronger

God, You are higher than any other

Our God is Healer, awesome in power

Our God! Our God!

Repeat

Our God is greater, our God is stronger

God, You are higher than any other

Our God is Healer, awesome in power

Our God! Our God!

Refrain

And if our God is for us, then who could ever stop us?

And if our God is with us, then what could stand against?

And if our God is for us, then who could ever stop us?

And if our God is with us, then what could stand against?

Then what could stand against?

Chorus

Our God is greater, our God is stronger

God, You are higher than any other

Our God is Healer, awesome in power

Our God! Our God!

Repeat

Our God is greater, our God is stronger

God, You are higher than any other

Our God is Healer, awesome in power

Our God! Our God!

Refrain

And if our God is for us, then who could ever stop us?

And if our God is with us, then what could stand against?

And if our God is for us, then who could ever stop us?
And if our God is with us, then what could stand against?
Then what could stand against?

Chorus

Our God is greater, our God is stronger
God, You are higher than any other
Our God is Healer, awesome in power
Our God! Our God!

Repeat

Our God is greater, our God is stronger
God, You are higher than any other
Our God is Healer, awesome in power
Our God! Our God!
